

Honorable Henry Alberts McLean, President of the Washington State Commission for the Alaska-Yukon-Pacific Exposition. This graceful little pamphlet is well worth saving.

**Descendant of Prescott.**

Mr. C. P. Bissett, Right of Way and Tax Agent for the Union Pacific Railroad Company, with offices in the Burke Building, Seattle, is a great-grandson of William H. Prescott, the famous American historian. Though very deeply occupied with the work of the company he represents, Mr. Bissett has a real love for history. He has a private library of five thousand volumes devoted to Americana and makes a specialty of works on Lincoln. One can see the evidence of this inherited taste on entering his private office, where the walls are attractive with beautiful portraits of Lincoln and Webster.
