[April, 1850]

Sunday 14th. Fine. Rode out to see Captain Hill at Steilacoom and met on the way Lt. Dement of the U. S. A. coming with some soldiers under arms to seize the Cadboro, which he accordingly did. I proceeded on to see Captain Hill and learnt that he had been instructed to detain the Cadboro until the arrival from Oregon City of a Mr. Dorr, who would probably seize her. Returned to Fort Nisqually and went immediately on board the Cadboro and found Lt. Dement with his soldiers on board and in possession of the vessel, the British flag having by his orders been hauled down. Protested in presence of Captain Sangster and a Mr. Kenny an American against the seizure on the plea that we were not smuggling but were ready to pay duties, as soon as a Custom House & collector should be established on Puget's sound or any properly authorized person appear to attend to the business. In the afternoon Mr. Dement had the Cadboro taken down to Steilacoom by Mr. Kenny and some of the soldiers who had formerly been sailors.

Monday 15th. Cloudy. Wind. Jolibois employed as on Wednesday assisted by Trudelle a Victoria man who has come to remain here for a year previous to settling. One Orkneyman and two Englishmen passengers by the Norman Morrison from England have also been added to this establishment. [Page 64.] In the evening Mr. Dixon mate of the Cadboro and Mahon (S. I.) Cook arrived from Steilacoom having at 5 P. M. been

213 Under the Organic Act Astoria was declared the port of entry for the District of Oregon and General John Adair of Kentucky became the first appointee as collector of customs. He reached his post on March 30, 1849, and on the 10th of January following designated Portland and Nisqually ports of entry. Due to personal and base motives the customs officials proceeded to take every British vessel that came. The Albion had in ignorance of changed conditions procured a few spars and done some small trading with the Indians at New Dungeness and was promptly seized, taken to Steilacoom, her cargo pillaged, condemned by the court and sold at auction on Nov. 2, 1850, for a small figure. The money, it was claimed, never reached the government which later reimbursed the owners.

ordered by Captain Hill to leave the vessel, and Mr. Dixon states that when he applied to Captain Hill to know where he was to be quartered, the reply made that he should come to me.

*Tuesday 16th.* Cloudy & showery. Having learnt from Mr. Dixon that Captain Sangster intended taking Inventory of the rigging, sails, &c, &c, on board the Cadboro sent Mr. Huggins\(^218\) down to assist, but that gentleman on getting abreast of the Cadb[or]o found that he could not be admitted on board without an order from Captain Hill and it being too late to go in quest of one he returned home without having seen Captain S[angster]. In the m[ornin]g I wrote Capt. H[ill] an official note requesting his reasons in writing for having seized the Cadboro in order that I might report on the matter in the proper quarter. In the afternoon rode down to Steilacoom, and called on Captain Hill for an order to go on board the Cadboro, which, having obtained in the shape of a drummer boy attendant I went down and spent an hour with Captain Sangster, who requested me to send a canoe for him tomorrow & asked me whether I thought he had better leave the vessel and my reply was that I thought it would be better for him to do so, and that I did not see how his leaving could be prejudicial to the Company's interests.

*Wednesday 17th.* Cloudy & showery. Captain Sangster arrived in the afternoon.

*Thursday 18th.* Cloudy. Sleet. Rain. Had a note from Captain Hill stating that the Inspector of Customs for Puget Sound Mr. Dorr had arrived. Rode down in the afternoon to see him, and learnt that he had seized the Cadboro, and was to be at F[or]t Nisqually tomorrow to seize the goods in the beach store that have been brought by the Cadb[or]o. [Page 85.]

*Friday 19th.* Cloudy. Mr. Dorr accompanied by Captain Hill arrived about 1 p. m. and after having some Wine & cake proceeded towards the beach Store where in presence of myself, Mr. Dixon of the Cadb[or]o & Captain Hill and calling Glasgow the squatter as a witness he seized on all the imported goods in the store including the [Ms. illegible, possibly meant for "Oaha" a Sandwich Island port.] Salt, & the wheat from Victoria. He said he did not feel quite certain about seizing the Salt, but would give his agent Glasgow positive information on the subject tomorrow. He compared the packages in the store with the Invoice & Bill Lading which I had shown him, and having some doubts re-

garding the contents of a Keg of Nails he had it broken open. Before leaving he committed the store & contents to Glasgow's care and gave him the Key in charge. He agreed however that as we had some Col: Kevis Flour with some Hoes and Lumber in the Store that were not seizable Glasgow should come and open the Store as often as access to it should be required. On returning to the Fort I applied for the Invoice & Bill Lading, but Mr. Dorr stated that as the ship had no manifest he should retain the Invoice & Bill Lading instead, whereupon I had a copy taken of the Invoice. Mr. Dorr then as a matter of courtesy as he said to the officers of the Co[mpany] and myself read me his Instructions which required him to seize any Vessel found violating the Revenue Laws & in particular the Schooner Cad[b]or[0]. or "Beaver Steamer." The instructions also empowered him to enter and examine any building wherein he suspected smuggled goods were stored, and after finishing reading them he demanded the Keys of our Stores and entering seized the imported goods therein. He entrusted the Keys to Glasgow for the night. I made several remonstrances against his proceedings but with [out]t. effect, and he maintained that he was justified in seizing any goods landed since the ratification of the Boundary Treaty in 1846. As a favor he allowed me to take a few blanket, shirts, & other articles for the payment of Indian labor. [Page 65.]

Saturday 20th. Fine. Busy in the Stores from sunrise till evening assisted by Captain Sangster, Messrs. Dixon, Huggins & C. Ross,219 and occupied in making Inventory and Packing Account of goods seized by Inspector Dorr yesterday which after account taken were removed into Store No. 2. Mr. Glasgow 220 was present, and when the above mentioned operations were concluded he put the Custom-house Seal on Store No. 2. Have decided on proceeding to Victoria221 tomorrow morning to communicate with Mr. C[hief]. F[actor]. Douglas on the doings of the U. S. authorities at this place. Sunday 21st. 5 am. Dr. Tolmie222 left the Fort to proceed to Fort Victoria. Clear & pleasant weather. Mr. Glasgow came to the Fort & got the copy of the Inventory of goods in the Store, of which I made a copy & he signed it, and I, Jas. Sangster, acting for Dr. Tolmie signed the one Mr. Glasgow got. Most of the principle men of the tribe have received names either from the English or the 'Bostons'; and the genealogical tree of the royal family presents as miscellaneous an assemblage of characters as a masked ball in carnival. Thus, two of King George's brothers are the Duke of York and General Gaines. His cousin is Tom, Benton; and his sons by Queen Victoria, are General—Jackson and Thomas Jefferson. The Queen is daughter to the Duke of Clarence and sister to Generals Scott and Taylor; as also to Mary Ella Coffin, the wife of John C. Calhoun. The Duke of York's wife is Jenny Lind; a brother of the Duke of Clarence is John Adams; and Calhoun's sons are James K. Polk, General Lane, and Patrick Henry. King George's sister is the daughter of the late Flattery Jack.
