## Volume One Completed.

---

With this number the first year of The Washington Historical Quarterly is completed. I wish here to thank all those who have contributed so cheerfully towards its success. The magazine has not become self-supporting. Mr. Samuel Hill and Judge Thomas Burke have sustained it thus far. If those who are interested in local history will renew their membership and invite others to do the same we will not need to impose upon the generosity of special friends much longer.

EDMOND S. MEANY,

Managing Editor.
