VOLUME TWO COMPLETED.

Sincere thanks are here extended to all who have contributed their membership fees of two dollars a year, and to Mr. Samuel Hill and Judge Thomas Burke for generous special contributions, making it possible to complete the second volume of the Quarterly. There are a number of delinquents who have received all numbers of the magazine without paying for them. It would greatly encourage the workers if they would remit at once. No more numbers will be sent to such addresses until the bills are paid.

EDMOND S. MEANY,
Managing Editor.
