this pursuit, as shown by valuable experiments with soils and crops, and by its efforts to induce a desirable farming class to settle in the islands. He believes that upon the development of its agriculture, more than upon anything else, depends the economic future of Hawaii. It is of special interest to us that Hawaii turns to the United States, particularly to the Pacific states, to find a market for her products.

In considering the future of the Islands, Mr. Goodrich does not overlook the opportunities they offer all for pleasure, to which the scenery, the equable climate and the fine beaches, especially, contribute.

The reader's enjoyment of the book is increased by the rproductions of attractive photographs. It contains also a good bibliography and an index.

TRAVEL AND DESCRIPTION, 1765-1865; TOGETHER WITH A LIST OF COUNTY HISTORIES, ATLASES, AND BIOGRAPHICAL COLLECTIONS AND A LIST OF TERRITORIAL AND STATE LAWS. By Solon J. Buck. (Springfield, Ill. Illinois State Historical Library, 1914. Pp. 514.)

This book, published as volume nine of the Illinois Historical Collections, is a product of the Historical Survey conducted by the University of Illinois. It forms the first part of a comprehensive bibliography of Illinois history, which is being prepared by Solon J. Buck. An attempt is here made to list all works of travel covering any part of the territory of Illinois during the period 1765-1865. Full items of imprint and collation are given, followed by annotations and references to notices and reviews. Such a thoroughgoing piece of bibliography covering description and travel in America becomes of general interest to all students of the Western Movement.

GUIDE TO THE MATERIALS IN LONDON ARCHIVES FOR THE HISTORY OF THE UNITED STATES SINCE 1783. By Charles O. Paulin and Frederic L. Paxson. (Washington, Carnegie Institution of Washington, 1914. Pp. 642.)

This is the third volume to be issued by the Department of Historical Research of the Carnegie Institution of Washington in the series of Guides relating to the London Archives. The two previous volumes relate to the History of the United States preceding 1783. The present volume covers the period from 1783 to 1860. It therefore becomes of great interest and value to students of Pacific Northwest History from the

time of the Nootka Sound Embroglio to the Acquisition of the Oregon Territory. A glance at the index reveals more than sixty references to Oregon with nearly as many to the Hudson's Bay Company and a goodly number to Washington Territory.
