

The Washington Historical Quarterly

INDEX TO VOLUMES I-X

NOTE. This general index to the first ten volumes of the WASHINGTON HISTORICAL QUARTERLY has been compiled from the indexes to the separate volumes. In combining several entries under a single name, articles *by* precede articles *about* a given author. In the analysis of subjects, the secondary arrangement is normally alphabetical but in some instances as in grouping documents the chronology has been followed. The citations are given by volume and page, the volume preceding the colon, and the page or the inclusive paging following it. Both October and January numbers of volume 1 are paged from 1 to 96. In order to show which of these duplicate paginations is meant, the abbreviations "Jan." and "Oct." are placed in curves after each entry from these, the first two numbers of the magazine. Eg 1:59 (Jan.) refers to page 59 to be found in the January number of 1907.
