*The Records of a Pioneer Lumber Mill*

Through the gift of Mr. Clarence B. Bagley, a well known pioneer and a contributing editor of this *Quarterly*, the University of Washington Library has received the donation of valuable historical material relating to the Washington Mill Company, one of the large pioneer lumber mills of Washington Territory. This company was organized in San Francisco in 1856 by Captain Marshall Blinn and William J. Adams. Mr. Adams kept the San Francisco end of the business; Mr. Blinn was in charge on Puget Sound. The mill was erected at Seabeck, Kitsap County, and began cutting logs in 1857, incidentally opening a store, buying and building ships, acquiring timber lands, and operating most of the business of the community. Its work was continued in Seabeck until 1886, when the mill was destroyed by fire, and the establishment removed.

Mr. Bagley's gift consists of thirty-nine bound volumes of letter books, day books, journals, ledgers, time books, stock books, specifications and invoices. Altogether it forms a unique collection of source material relating to one phase of the economic development of Puget Sound.
