Report for 1920. By DIRECTOR F. KERMODE. (Victoria, B. C.: Provincial Museum of Natural History, 1921. Pp. 32.)

A Preliminary Catalogue of the Flora of Vancouver and Queen Charlotte Islands. By DIRECTOR F. KERMODE. (Victoria, B.C.: Provincial Museum of Natural History, 1921. Pp. 87.)

The contents of the two pamphlets may easily be inferred from the titles. They show that Washington's northern neighbor is progressing in the fields of scientific research and in the building of a substantial and serviceable museum.

Women in American History. By GRACE HUMPHREY. (Indianapolis: The Bobbs-Merrill Company, 1919. Pp. 223. \$1.25, net.)

Betsy Ross, Martha Washington, Dolly Madison, Julia Ward Howe and others are subjects of the fifteen chapters. The one particularly related to the Pacific Northwest is Sacajawea. From page 80 to page 100 the interesting story of the "Bird Woman," one of the guides of the famous Lewis and Clark Expedition, is told. The author used the original journals of the Expedition, the book by James Willard Schultz, (one of the latest and best on the subject) and other works in compiling her story.

The Roosevelt Memorial Association. (New York: The Association, 1921. Pp. 36.)

Some of the most prominent men and women in contemporary American life are behind the great movement to build suitable memorials for Theodore Roosevelt. This little pamphlet tells all about the organization, its officers and progress of work. There is to be a monumental memorial in Washington to rank with the Washington Monument and the Lincoln Memorial. Land is to be given and improved for a Roosevelt Memorial Park at Oyster Bay, New York. The third activity is known as the Bureau of Roosevelt Research and Information which serves to perpetuate the ideals of

Theodore Roosevelt and to spread knowledge of his character and career. A great library about the man is being collected and authoritative books about him are in preparation. In this connection an appeal is being sent around the world as follows:

"If you knew Colonel Roosevelt personally, sit down now and write the story of your acquaintance with him, telling every detail—dates, places, anecdotes.

"Send your reminiscences where they may be preserved for all time. If you possess any unusual books, pamphlets, cartoons, magazine articles, clippings or photographs, dealing with Roosevelt's life or interests, send these also. They will be welcome.

"Such things may mean little to you; but they will mean much to future historians. Help us in our efforts to preserve in all its details the record of an inspiring life."
