The Provincial Library of British Columbia has purchased a noteworthy collection of historical materials collected by and relating to Alexander Caulfield Anderson, one time Chief Trader of the Hudson's Bay Company. Information regarding the collection has been furnished by Mr. John Forsyth, Provincial Librarian. His description includes a calendar of forty manuscript letters of historical importance covering the years from 1836 to 1884, together with a list of numerous historical items showing a wealth of materials, including many maps, sketches and manuscripts.

Mr. Anderson will be remembered by students of Washington state history as the Chief Officer in charge of Fort Nisqually, Puget Sound, during the summer of 1840, and Chief Trader at Fort Vancouver on the Columbia River from 1851 to 1854. He became subsequently the first collector of customs of British Columbia and postmaster at Victoria. He was later appointed a commissioner for the settlement of the Indian land question and was Provincial fish commissioner at the time of his death in 1884. He was a man of enterprise and ability and the author of several pamphlets and descriptive essays relating to British Columbia. Students will be glad to know that this material has been acquired by the Provincial Library for permanent preservation and use.

The Library of the Oregon Historical Society has recently obtained the following items: 1. Transcripts of some thirty-four letters written by William H. Gray concerning the Oregon Mission, from 1838 to 1844.
