Readings in Recent American Constitutional History, 1876-1926.

By ALLEN JOHNSON and WILLIAM A. ROBINSON. (New York: Scribners, 1927. Pp. 511. \$4.00.)

Professors Allan Johnson of Yale University and William A. Robinson of Dartmouth College have collaborated in a book entitled "Readings in Recent American Constitutional History, 1876-1927." It is made up of extracts from federal statutes, decisions of federal courts and from authoritative books in the field of American constitutional history and government. These citations deal with political and civil rights under the fourteenth amendment, the extension of federal authority, structural and functional changes in the government, the extension of democracy, and the government of dependencies.
