Proyecto Soledad

Proyecto Soledad

El Centro Menonita para Nuevos Inmigrantes de Edmonton, provincia de Alberta, Canadá, ha auspiciado la producción de un video sobre la violencia familiar en la comunidad de habla hispana.

El documental, llamado Proyecto Soledad, presenta las experiencias y pensamientos de mujeres latinas que han sufrido la violencia familiar en carne propia. Su objetivo es el de servir tanto de guía para seminarios, talleres y grupos de discusión, como de catalizador para la formación de una red de apoyo entre las mujeres latinoamericanas en el Canadá.

The Mennonite Centre for Newcomers in Edmonton, Alberta, has sponsored the production of a video on family violence in the Spanish-speaking community.

The documentary, called Proyecto Soledad, presents the experiences and thoughts of Latin American women who have been subjected to family violence in their homes. Its objective is twofold: to serve as a guide in seminars, workshops and discussion groups and to be a catalyst in the organization of a support network for Latin American women in Canada.
