

## CORRECTION

On page 142 of the article “Jack Tomšič’s poetry: The spiritual, ethnic, acculturational and social function of literature,” by Mirko Jurak, which was published in *Slovene Studies* 14/2 (1992) [September 1994], one error was not corrected before the journal went to press: the poet’s death was given as January 6, 1994. In fact, Mr. Tomšič passed away on January 16, 1994. The error occurred because two different dates for Mr Tomšič 's death were given in the press. We apologize for any distress that this mistake may inadvertently have brought to his family or friends.
